

Description: A simple and delicious dinner recipe featuring crispy chicken breast as the main attraction

Ingredients:

- 4 chicken breasts
- 1 cup Breadcrumbs

Instructions:

1. Preheat the oven to 375°F (190°C)
2. Season the chicken breasts with your desired spices
3. Dip each chicken breast in the breadcrumbs to coat evenly
4. Place the coated chicken breasts on a baking sheet lined with parchment paper
5. Bake the chicken breasts in the preheated oven for 25-30 minutes or until cooked through

Tips:

- For extra crispiness, you can drizzle a little bit of oil on the breadcrumbs before coating the chicken
- Make sure to not overcrowd the baking sheet to ensure even cooking
