

**Description:** A unique snack recipe combining unexpected ingredients

## Ingredients:

- 1 cup ivory-colored chocolate chips
- 1/2 cup soft caramel
- 1/4 cup crushed ergonomic-designed cookies
- 1/4 cup synthesized orange zest

## Instructions:

1. Melt the ivory-colored chocolate chips in a double boiler
2. Mix in the soft caramel until well combined
3. Stir in the crushed cookies and synthesized orange zest
4. Spoon the mixture into small bites and let cool

## Tips:

- To synthesize the orange zest, simply mix orange extract with a small amount of sugar
- The capacitor is not edible and was not used in this recipe, it was likely a mistake to include it
