Description: A unique snack recipe combining unexpected ingredients

## **Ingredients:**

- 1 cup ivory-colored chocolate chips
- 1/2 cup soft caramel
- 1/4 cup crushed ergonomic-designed cookies
- 1/4 cup synthesized orange zest

## **Instructions:**

- 1. Melt the ivory-colored chocolate chips in a double boiler
- 2. Mix in the soft caramel until well combined
- 3. Stir in the crushed cookies and synthesized orange zest
- 4. Spoon the mixture into small bites and let cool

## Tips:

- To synthesize the orange zest, simply mix orange extract with a small amount of sugar
- The capacitor is not edible and was not used in this recipe, it was likely a mistake to include it
